

# 10th Annual Wildlife Baby Shower

Spring signals the start of wildlife baby season! Over the coming months, AIWC will care for over 1,000 animals, most of them injured and orphaned wildlife babies. Please help ensure that these wildlife babies have a future.

Animals are often injured or orphaned because of human activities - window strike, vehicle collision, barbed wire, domestic cat and dog attacks, and kidnapping (taking a healthy baby animal from the wild).

This year marks our 10th annual Wildlife Baby Shower event with the goal of raising funds to care for animals in need and increasing awareness about the natural behaviours of our wild neighbours.

As a non-profit organization, AIWC relies solely on donations and successful grant applications to operate. Did you know that it can cost well over \$1,000 to rehabilitate an individual animal?

Every dollar you give helps. Thank you for your support!

## Examples of costs during our busy season:

- Food for 1 bear cub: \$600/month.
- Fresh produce for patients: \$450/week.
- Specialized milk formula for baby mammals: \$4,850/year.
- 50,000 mealworms to feed nestling and fledgling songbirds: \$600/week.

## How You Can Help...

- Donate today! Either by completing and returning this insert, or by donating online at [aiwc.ca](http://aiwc.ca)
- Call us at 403-946-2361 to make a donation.
- Follow along on our social media throughout the month of May and help share facts about the natural behaviours of baby wildlife.
