

Flights of Fancy

Beauty Everywhere

Join us for our sixth annual Flights of Fancy event as we are joined by guest speaker Myrna Pearman for her Beauty Everywhere: Celebrating Alberta Nature talk.

Alberta is a magnificent province, with dramatic landscapes and an amazing diversity of wildlife. From the western mountains to the eastern parklands, and from the northern boreal forest to the southern grasslands, there is beauty to be found! Just as importantly, however, is the beauty and awe that awaits us in our own backyards and gardens. Join Myrna as she shares and celebrates her love of Alberta nature through photography and stories.

Myrna Pearman is a retired biologist and an enthusiastic nature photographer, writer and backroads Rambler. She has authored and co-authored several books, and is a columnist for The Red Deer Advocate, Nature Alberta and The Gardener. She was recently recognized as a Fellow of the Royal Canadian Geographical Society (RCGS) and is an RCGS Travel Ambassador. Since leaving Ellis Bird Farm in 2019, after spending 33 years spearheading several conservation, research and education programs, she spends time pursuing her many passions. She is currently the Resident Naturalist at Mother Nature's Seeds, maintains a blog on her website (www.myrnapearman.com) and regularly shares nature photos and commentary on social media.
