

WHO'S WHO?

INSTRUCTIONS:

Can you give hints (i.e., habitat, behaviour, appearance, diet) about these animals without saying their name?

Print out this PDF and cut the pages in half where there is a horizontal line. Place photos in a pile facedown. Have a player pick up a photo (without looking at it) and hold it near eye level. Have the other player(s) give hints to what animal is pictured. Take turns until you guess every animal.

PLAYERS: 2+

All photos were taken from our Instagram @AIWC

A: North American Porcupine
B: Moose
C: Canada Goose (gosling)
